

Letter from the President
December 2010

All of the present officers have volunteered to serve another term for 2011 so unless there are more volunteers or nominations at the meeting the election will be merely a formality except for a possible open board seat. I plan to form a nominating committee early next year to give all members a chance to run for a leadership role in 2012.

Bill WD8JWJ and Steve K8BBK are seeking a location for the January kickoff banquet. We should have their report at the December meeting.

I have not received any additional lists of club assets from members who were not at the October meeting. Items not on any list are the antennas and feed lines at the fairgrounds. Do we have everything else?

What would you like to see your club accomplish next year? Are there any activities or special projects we should explore? Please bring your ideas to the club meeting.

The January meeting is the 2011 kickoff dinner at a place and date to be announced at the December meeting. The next business meeting is February 14 at the sheriff's office and the next breakfast is March 05 at Edgewood.
